In our Board letter related to the above-captioned item, we did not report on the action taken by the Small Craft Harbor Commission at its November 12, 2014 meeting. It was because the Board letter was filed prior to the Commission's meeting of that date.

We now report to you that at its November 12, 2014 meeting, the Small Craft Harbor Commission approved the above-captioned item with three Commissioners voted aye and one voted nay.

Please let us know if we might provide any additional information.
